**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I disagree with USTelecom petition. I oppose their petition.

I support local competitive services to access internet.

I am Sonic residential subscriber. I have fiber today and previously used competitive DSL when it became available. I am using internet access since 1998-1999. It is critical for my job.

I want more competition. I am stuck with only Comcast or ATT providers. Their service is crappy but they keep a monopoly. . This should NOT be happening.

I am saying NO to price hikes!
